Identify as a Female Engineering major?

You are automatically apart of Women in Engineering (WiE), which is under the Diversity, Outreach, and Inclusion Office (DOI)!

WiE programming is designed to:
Increase the number of women pursuing degrees and careers in engineering while fostering their future success.

Typical Events include:
WiE cafes with Faculty, and Alumna, Wellness events, Study Tables and more!

WiE events are open to all students regardless of gender identify, they are designed to encourage and support women.

Check your email for WiE Events.
