Levels:

- $10,000+
- 5,000 to $9,999
- 3,000 to $4,999
- 2,000 to $2,999
- 1,000 to $1,999

THANK YOU
In the College of Engineering’s Toy Adaptation Program, students and community members learn how to modify singing stuffed animals and tiny electric cars.

Why?

So children with disabilities can play, too.

Gifts like yours to the college last year helped support this program and so many others that are filling the world with innovation and joy.

“You’re having fun — and then they get to have fun.”
